

As of July 1, 2006, Mexican law requires, for safety reasons, all luggage to be inspected. That is why we ask for your cooperation avoiding the use of locks in your baggage. For your own protection, you are not allowed to bring on board any of the following items: liquids of any kind (beverages, alcohol); aerosol cans (perfume, hair spray); cosmetics (body lotion, deodorant, mascara, toothpaste) and any other item made-up of gel. We apologize for the inconvenience these measures may cause you, but be sure that at Volaris your safety always comes first.
